3. Shipping days will be: Every Monday, Wednesday, & Friday, beginning **February 1** and ending **July 1**. We highly recommend sending your mare to a vet clinic or breeding farm for her heat cycle. They will coordinate optimum shipping times with us.
4. The Breeder **must be notified prior to 9:00 a.m. Central Time on the date the semen is to be shipped**. Semen will be shipped on collection days only on an "as available" basis. Mares sent to Breed will receive preference for semen availability.

6. The breeding season in force for this contract shall begin **February 1** and close **July 1** of the year on this contract.
7. **Live Foal Guarantee:** Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if foal is stillborn, a return breeding will be guaranteed the following year only at Breeder's facility, providing proper notification is given. Proper notification is a written certification by licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner verifies that such abortion or death did not result from any act or omission of the Owner. Rhino vaccinations must be administered as indicated by the individual drug manufacturer as the mare progresses through her pregnancy. **Failure to do this will void the Life Foal Guarantee.**
8. **Rebreeds:** If the mare does not produce a live foal the first breeding season bred, mare owner is entitled to a rebreed the following year after the initial year the breeding fee was paid. Thereafter, mare owner will be subject to an additional chute fee, plus any increases in the breeding fee. No live foal guarantees on the third year.
9. **Genetic Diseases:** The Breeder shall be held harmless of any hores(s) with genetic diseases (**HYPP**). If the above said Mare Owner has a **HH** (double positive) foal, the Mare Owner shall have the option of returning the double positive foal to the Breeder in return for a rebreed the following year. (The foal must be returned to the Breeder before Mare Owner is entitled to a rebreed.) This also applies to a cremello or albino foal.
10. A breeders certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of birth of foal.
11. There is **no** Paint Color Guarantee.
12. It is agreed that should above named stallion die or become unfit for service, than this contract shall become null and void and the booking fee refunded. For those with a paid return breeding, if the stallion dies the mare owner may select another stallion standing at Tallent Quarter Horses, Inc. with all monies paid applied to that stallion's breeding fee. Mare owner is responsible for paying the difference in stud fees if a stallion is chosen with a breeding fee of higher value. There will be no money refunded.
13. This contract is governed by the laws of the State of Texas and the venue of Cooke County, Texas. All accounts are due and payable in Cooke County, Texas, in U.S. Dollars.
14. This contract is not valid unless completed in full. When Mare Owner signs and return the contract and booking fee to Breeder, Breeder will notify Mare Owner within 10 days of approval. Upon notification, it will become a binding contract on both parties, subject to the above terms and conditions.
